

Balloon Juice Book Club – *Midnight In Washington*

Let's all plan to read the whole book before the first meeting.

After the first one, each book club meeting will have a theme for the discussion, so a “just in time” approach where you read each chapter just in time for the meeting won't be practical.

Start date: January 12.

Meeting day & time: Wednesday evenings at 8:00 Eastern. Zoom meetings will start on time and will last 90 minutes.

Schedule: meet every week on Wednesday evenings.

of book club meetings: 5 meetings

of people signed up for the book club: 120 people

Book club dates: mark your calendars!

Themes for Discussion

Our first book club meeting will be a Balloon Juice discussion post only.

Meeting 1. Discussion of the book more generally, and suggestions for questions we might ask Adam Schiff, if given the opportunity.

Meetings 2-5 will be zooms with an accompanying Balloon Juice discussion post.

This way everyone can participate in their preferred fashion.

Meeting 2. *January 6: The Insurrection – The Revolution Really Was Televised!*

Meeting 3. *What Didn't You Know Before You Read the Book? What Surprised You?*

Meeting 4. *So Many Shocking Betrayals On So Many Fronts.*

Meeting 5. *We're Not Helpless Passengers On a Bad Ride – Making Our Own Shade.*
